LaserLyte® introduces the Laser Gun Sight Trainer for TAURUS TCP and SLIM pistols! A slimline design gives shooters the advantage of laser precision in their favorite concealed carry pistol. The Master Module laser sight also includes a laser training mode for at-home practice with any LaserLyte trainer target! Also features ambidextrous activation, windage and elevation adjustments and an exterior battery cap for simple battery swaps without removing the laser from the gun.

The new Gun Sight Trainer also comes with all the tools and hardware needed for easy installation.

It's a gun sight. It's a laser trainer. It's all-in-one on your gun!
