

# The fastest, most accurate way to sight-in your rifle

**LaserLyte's New**  
Universal Laser BoreSighter  
puts you on target fast—saving  
time, ammunition and frustration.  
Whether mounting a scope or  
checking sights after arriving  
in hunting camp this new laser  
bore sighting tool allows quick,  
incredibly accurate sight adjust-  
ments on rifles or handguns in  
calibers .22 through .50.
